

LIMONA LONG DRINK WITH DARK RUM

limonkito

Recipe

40 ml of dark rum

Tea spoon of brown sugar

10 ml of squeezed lime juice + slice of lime

15 ml of agave syrup

6-8 mint leaves

125 ml of Limona Mint (half bottle 0,25L)

In a tall glass put 40 ml of dark rum, 15 ml of agave syrup, 10 ml of freshly squeezed lime juice, 6-8 mint leaves and hardly press everything together. Fill half of the glass with the crushed ice, stir up and add crushed ice again to the top of the glass. At the end pour Limona Mint (half bottle 0,25L). Easily stir up once again.
